

BOARD RESOLUTION NO. 22

Series of 2026

A Resolution Prohibition of Student Leaders Holding Senior or Higher Positions in Other Student Organizations from Seeking or Holding Positions in the Quezon City University Supreme Student Council

WHEREAS, Quezon City University recognizes the importance of maintaining a fair, transparent, accountable, and effective system of student governance that prioritizes the interests and welfare of the student body;

WHEREAS, the Quezon City University–Supreme Student Council (QCU-SSC) serves as the primary representative body of the students and is expected to exercise its duties with integrity, impartiality, independence, and accountability;

WHEREAS, student leaders who hold higher positions in other student organizations, councils, or governing bodies may have responsibilities, affiliations, and obligations that may create actual or perceived conflicts of interest in the performance of their duties as members or officers of the QCU-SSC;

WHEREAS, the participation of student leaders holding higher positions in the QCU-SSC may result in overlapping authority, divided responsibilities, and conflicts in decision-making, which may affect the effective performance of their duties and responsibilities;

WHEREAS, the QCU-SSC requires student leaders who can devote sufficient time, attention, and commitment to the responsibilities entrusted to them by the student body;

WHEREAS, establishing clear eligibility requirements regarding the simultaneous holding of higher positions promotes accountability, prevents conflicts of interest, and strengthens the integrity and credibility of the QCU-SSC;

WHEREAS, prohibiting student leaders who hold higher positions from joining the QCU-SSC shall uphold the principle of separation of responsibilities and ensure that student organizations maintain their respective functions, authority, and accountability;

WHEREAS, such prohibition shall provide equal opportunities for qualified students to participate in the QCU-SSC and prevent the concentration of leadership positions and authority in a single individual;

WHEREAS, the proposed policy shall promote effective representation by ensuring that QCU-SSC members are able to perform their duties without competing obligations arising from higher leadership positions in other student organizations or governing bodies;

WHEREAS, the implementation of this policy shall establish clear guidelines on the eligibility, appointment, election, and participation of student leaders in the QCU-SSC, in coordination with the appropriate Quezon City University offices and student organizations;

NOW, THEREFORE, BE IT PROPOSED, that Quezon City University hereby adopts a policy prohibiting student leaders who hold higher positions in other student organizations, councils, or governing bodies from joining or holding membership in the Quezon City University–Supreme Student Council (QCU-SSC);

PROPOSED FURTHER, that the eligibility and participation of candidates and members of the QCU-SSC shall be subject to the established qualifications and guidelines implementing this policy;

PROPOSED FURTHER, that the QCU-SSC, in coordination with the appropriate Quezon City University offices, shall ensure the proper implementation and monitoring of this policy;
